Mr. H. R. Kemp,

Faculty of Education,

University of Toronto.

Dear Mr. Kemp:

I am glad to be able to say that you were awarded one of the Alexander Mackenzie Fellowships worth five hundred dollars for the ensuing year. This award will be formally passed upon by the Senate. Your Fellowship is for the promotion of work in the Department of Political Economy. Allow me to say that we hope you will find that the work next year will be of great benefit to you and a credit to the University ?

Yours sincerely,

President.
